

Mark your calendars!

The Semi-Annual DEA Drug Take Back event is Saturday, April 28th from 10am - 2pm

Why should you take your unused or expired medications to a proper disposal site within your community on April 28th?

Two-thirds of teens who misused pain relievers in the past year say that they got them from family and friends, including their home's medicine cabinets

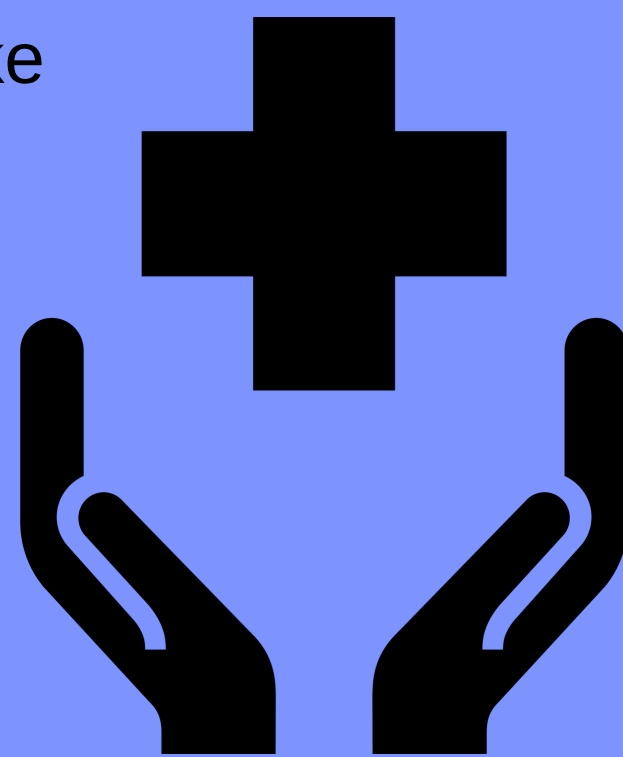

Flushing medication down the toilet can contaminate the water supply.

Unused prescription drugs thrown in the trash can be retrieved and abused or illegally sold.

Disposing unused drugs properly through a take back site protects the environment.

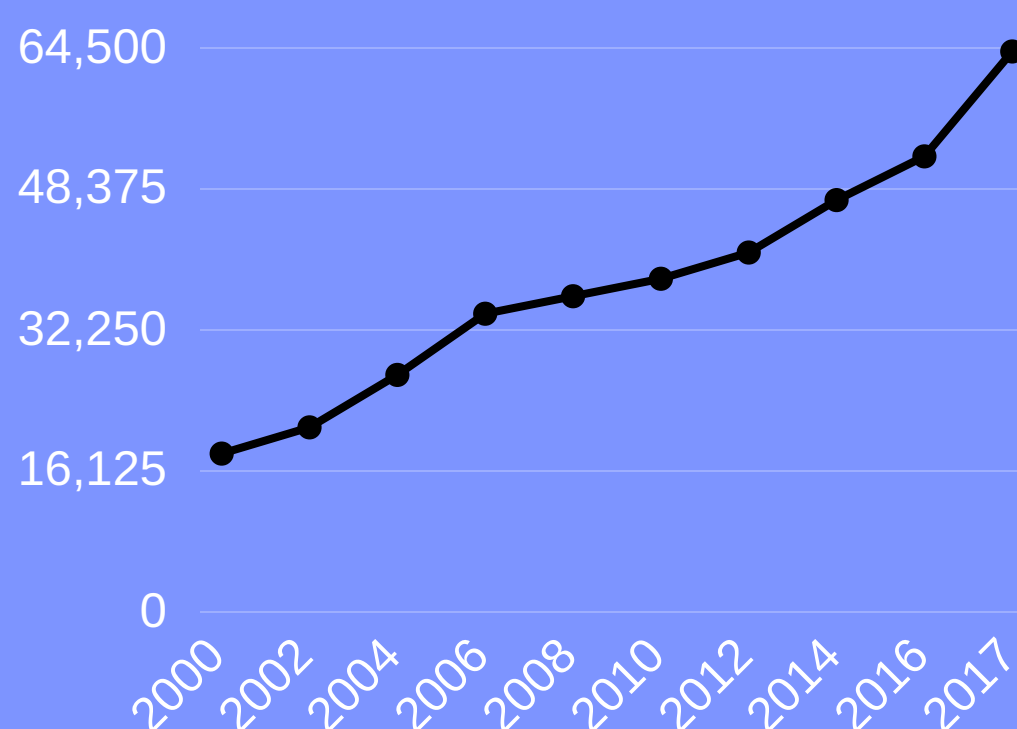

Properly disposing unused or expired prescription medications can prevent public safety issues like accidental poisoning, overdose, and abuse. Disposing medications properly saves lives!

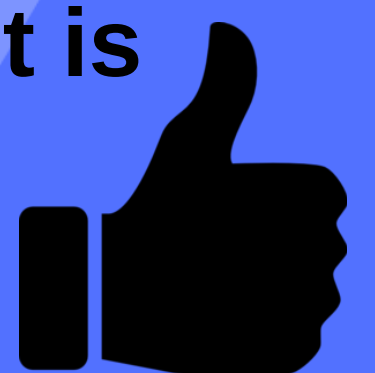

What better way to kick off Spring Cleaning in your household?

More than 64,000 Americans died from drug overdoses in 2016.

Let's change this statistic! Participating in a drug take back event is free, safe, & easy!
