Carleton Middle School Annual Education Report (AER) Cover Letter

August 20, 2013

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2012-2013 educational progress for the Carleton Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Shaun Greene-Beebe, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site <u>http://www.wcskids.net/curriculum/annual report/aer</u> or you may review a copy in the principal's office at your child's school.

The state has identified some schools with the status of Reward, Focus, or Priority. A Reward school is one that is out performing other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has not been identified as a "FOCUS" OR "PRIORITY" School this year.

Carleton Middle School met AYP as reported by the Michigan Department of Education in both reading and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information:

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL - Students are assigned to schools according to their address of residence within the district's boundaries. Parents may request another school within the District under the Open Enrollment process, however, transportation is not provided. The Board of Education has determined that it will allow nonresident students, residing within the Macomb

ISD, but whose parent(s) reside in the District, and who qualify to enroll in the District through a Schools of Choice program.

- 2. During the 2012-13 school year, Carleton Middle School began its second implementation year of the 5 year School Improvement Plan. Over the next 3 years, our staff will participate in professional development opportunities to adopt best practices and utilize strategies from McRel's Classroom Instruction that Works, Thinking Maps, Guided Reading and Balanced Literacy, Differentiated Instruction, Effective Grading Practices, Cooperative Learning Groups, Math Manipulatives, and Technology to address our students' academic needs in English language arts and mathematics.
- 3. Warren Consolidated Schools offers several specialized programs to meet the needs of a variety of learners.

The **Macomb Math and Science Center (MMSTC)** is an honors program for 9th – 12th grade students in 11 Macomb County districts who are interested in advanced/accelerated mathematics, science, and computer technology. Students must apply and be selected for the program based upon placement testing and teachers recommendation. The Center's program is a half day and students attend their home school for the remainder of the day.

The **Career Preparation Center (CPC)** programs are open to Clintondale, Fraser, and Warren Consolidated 11th and 12th grade students. CPC programs are designed to provide students with skills to enter the workforce or continue with additional college or workplace training. Career Technical Education (CTE) classes at the CPC provide technical skills and knowledge. Students enrolled in these programs are often able to earn technical certifications as well as college credit.

Community High School and North Star Academy are alternative education programs for middle and high school students. Both programs are located at the Butcher Educational Center.

4. Warren Consolidated Schools follows all State of Michigan curriculum guidelines. The Board of Education has adopted a core curriculum based on Michigan Curriculum Framework, Grade-Level Content Expectations/Common Core State Standards, and Michigan Merit Curriculum approved by the State Board of Education. A copy of the core curriculum may be assessed at www.wcskids.net.

5. MEAP Proficiency

English Language Arts/Reading

• Grade 6 54% of Carleton's 6th graders were proficient in reading

- Grade 7 57% of Carleton's 7th graders were proficient in reading
- Grade 8 67% of Carleton's 8th graders were proficient in reading

Mathematics

- Grade 6 26% of Carleton's 6th graders met proficiency in math
 Grade 7 24% of Carleton's 7th graders met proficiency in math
- Grade 8 26% of Carleton's 8th graders met proficiency in math
- 6. Parent Teacher Conference Information Parent Participation at Fall and Spring Conferences.

	Fall	Spring
2011-2012	68%	45%
2012-2013	70%	46%
Change	+2%	+1%

The students and staff at Carleton Middle School take pride in **C**aring about each individual, instilling **C**onfidence in their abilities, and staying **C**ommitted to life-long learning. The CCC theme at Carleton has become fully integrated in our school culture. I have seen our students and staff embrace this theme and we are excited to see what the future holds for our students who make every effort to live by these words. We will do our best to help every student unlock his/her full potential and become a positive, contributing member of our society.

Despite the many changes in education, Carleton Middle School has embraced advancements in technology and new approaches to engaging students in the classroom environment. The **P**rofessional Learning Community (PLC) at Carleton is committed to being proactive and student-centered while making data-driven decisions. We must continue to seek research-based solutions for students who need additional support and put those plans into action. We are proud to offer opportunities for those students who excel through flexible scheduling, high school credit courses, and our district's MS(2)TC half-day program. As principal, it is my mission to assure students and parents that all staff will recognize the individual worth and value of each student. The staff at Carleton Middle School will work collaboratively to close the achievement gap, promote best practices in education and find answers for our children. We hope that you will join us in our collaborative efforts by staying connected to the school. Your participation and involvement in your child's education is imperative to the success of our school community. Let's embrace this partnership and celebrate our students together. I look forward to working with you as we prepare each child to reach his or her full potential as a 21st Century learner.

Sincerely,

Shaun Greene-Beebe Principal
