# Sterling Heights High School Annual Education Report (AER) Cover Letter

April 22, 2016

586.825.2400

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for the Sterling Heights High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Craig Miller for assistance.

The AER is available for you to review electronically by visiting the following web site <a href="http://www.wcskids.net/curriculum/annual report/aer">http://www.wcskids.net/curriculum/annual report/aer</a>, or you may review a copy in the main office at your child's school.

Sterling Heights High School places a strong focus in many key areas of instruction. As a staff, we are committed to providing excellent instruction every day! We are focused on posting and referring to learning targets, using Classroom Instruction That Works strategies, providing professional development for teachers, and implementing high-leverage strategies such as 'Close and Critical reading and Writing Across The Curriculum' among all content areas. Sterling is committed to high expectations and providing the best instruction to all students.

State law requires that we also report the following additional information for the two most recent years:

- PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL
   Students are assigned to schools according to their address of residence within the
   district's boundaries. Parents may request another school within the District under
   the Open Enrollment process, however, transportation is not provided. The Board
   of Education has determined that it will allow nonresident students, residing within
   the Macomb ISD, but whose parent(s) reside in the District, and who qualify to
   enroll in the District through a Schools of Choice program.
- 2. Sterling Heights High School has school-wide goals for reading, writing, and math. Likewise, we have a school culture and focus that drives our mission and vision of providing excellent instruction to promote life-long achievement. We are committed

to bell-to-bell instruction, displaying and referencing learning targets, using a variety of vocabulary strategies, close and critical reading strategies, and writing strategies to ensure student success. Our school culture is one that every minute... every day...Stallion Pride is on display!

3. Warren Consolidated Schools offers several specialized programs to meet the needs of a variety of learners.

The **Macomb Math and Science Center (MMSTC)** is an honors program for 9<sup>th</sup> – 12<sup>th</sup> grade students in 11 Macomb County districts who are interested in advanced/accelerated mathematics, science, and computer technology. Students must apply and be selected for the program based upon placement testing and teachers recommendation. The Center's program is a half day and students attend their home school for the remainder of the day. It is located at Butcher Educational Center.

The **Middle School Mathematics Science Technology Center (MS)2TC** offers an advanced mathematics, science technology option for middle school students. Students who are accepted into the program will split their day between their home middle school, where they will take their social studies and two elective classes, and Butcher Educational Center, where they will take their mathematics, science and English language arts classes.

The **Middle School- School of Performing Arts (MS-WCSPA)** is an exciting, creative program that has been designed to build on the district's nationally-acclaimed, award-winning high school performing arts program (WCSPA) which is located in Sterling Heights High School. MS-WCSPA is intended for academically-focused and creative students who seek to blend their academic experience with interest in the performing arts. Students who are accepted into the program will split their school day between their home middle school, where they will take their language arts, science, and math classes, and Butcher Educational Center, where they will take their social studies and two performing arts electives. The performing arts electives will include visual arts, music, dance, and theatre exploratory experiences.

The **Career Preparation Center (CPC)** programs are open to Clintondale, Fraser, and Warren Consolidated 11<sup>th</sup> and 12<sup>th</sup> grade students. CPC programs are designed to provide students with skills to enter the workforce or continue with additional college or workplace training. Career Technical Education (CTE) classes at the CPC provide technical skills and knowledge. Students enrolled in these programs are often able to earn technical certifications as well as college credit.

**Community High School** is an alternative education program for high school students. The primary objective of the school is to assist enrolled students in meeting their high school graduation requirements in a timely manner. It is located at the Flynn Educational Center along with the adult **ESL program**.

**The Hatherly Educational Center** supports the mission and vision of Warren Consolidated Schools in a variety of ways. The building is home to the WCS Early Childhood Special Education (ECSE) Program, the World of Fours (grant-supported

pre-school for 4 year-olds) Program, Transitional kindergarten, and several Macomb-Intermediate School District Head-Start classrooms.

**Year-round education** offers many benefits for students and families such as increased student achievement and retention rates, more effective learning environment by reduced time spent reviewing, expanded enrichment and intervention opportunities for students, and expanded educational choice options for parents. Year-round education is offered at Siersma and Holden Elementary Schools.

4. Warren Consolidated Schools follows all State of Michigan curriculum guidelines. The Board of Education has adopted a core curriculum based on Michigan Curriculum Framework, Grade-Level Content Expectations/Michigan State Standards, and Michigan Merit Curriculum approved by the State Board of Education

6. Parent Participation at Fall and Spring Conferences

YEAR	FALL	SPRING
2013-2014	39%	26%
2014-2015	40%	29%
CHANGE	+1%	+3%

- 7. Additional high school information:
  - a. SHHS had nine students participate in dual enrollment for the 2014-2015 school year. Sterling also had 14 students participate in the Early College of Macomb program.
  - b. At Sterling Heights High School, we offer Advanced Placement courses based on student interest and requests. This year we offered six different AP courses in various areas, as well as, students have the ability to attend an IB program.

- c. For the 2014-2015 school year we had 447 students participate in AP courses which represents 30% of our student population, and have 22 students attending the IB Program.
- d. Out of 319 AP Exams taken, 56% of those students received a score that could lead to college credit.

Sterling Heights High School is proud to have increased student achievement scores and is committed to giving every student the best educational opportunities for learning. The culture of the school supports this vision and students are encouraged and motivated daily to put their Stallion Pride on display!

During the 2014-2015 academic year, the Class of 2015 received nearly \$4.6 million in scholarship money, and 46% of the students graduated with a 3.0 or higher GPA! We also have the largest AP Psychology program in the county and leading in the state.

In 2015, in the U.S. News and World Report of "Best High Schools," Sterling Heights High School was ranked as the Top High School in Macomb County and one of the top 2000 nationally. SHHS also received a similar distinction from U.S. News and World Report in 2012. Additionally, Newsweek ranked Sterling Heights High School as one of the *TOP BEST HIGH SCHOOLS FOR 2013*. We are proud to have a dedicated staff to ensure student success with several of the members being named district Teacher of the Year!

Sincerely,

Craig Miller
Principal, Sterling Heights High School
