Dear WCS Community,

Today at dismissal, the Cousino High School security staff observed a non-WCS student waiting in front of the school, and in accordance with our security & crisis protocols, alerted the school resource officer who questioned the student.

After a brief conversation, the student reported that he was at the school to meet some students. Upon further investigation, he admitted that he was in possession of a knife and was immediately taken into police custody and processed at the Warren Police Department.

There was no incident or threat to the school and much credit goes to the security staff at Cousino High School who reported the suspicious person to the school resource officer. Using our security cameras and crisis response plans, our security team did excellent work!

If you have any questions, please contact the school.

Sincerely,

Robert D. Livernois, Ph.D.
